

POTTED AUTUMN BLAZE MAPLE TREES (limited supply)

Our Autumn Blaze Maple trees are approximately 10 feet tall, 1-1/2" to 2' diameter and grow approximately 3 feet per year. They produce stunning fall colors and are insect and disease resistant. The Autumn Blaze Maple tree does well in most soils! The trees are balled and burlaped and ready for pick up now!

\$140.00 each

To place an order call Carolann @ 608-609-6793 or email me at whisperingpineschristmastrees@gmail.com if you have questions.
